

2019 Winter Construction Progress Update

Construction on The Pacifica continues to progress well on programme!

The following are updates for July 2019:

- Fitout works commenced on Level 9 and Level 10
- Structure is now 50% complete with floor slabs at Level 25 and core reaching Level 29
- The façade installation is well underway with the feature 'ribbons' starting to take shape on the exterior
- Construction Timelapse Videos can be viewed on the Pacifica's website [CLICK HERE TO VIEW](#)
- To find out more about our special release 2 Bed 2 Bath and other available apartments contact us now
